- Membership becomes active immediately upon signing this agreement with The Company and making the first month's payment. Payment for membership is due immediately for the first month.
- Initial membership commitment of 4 months is required, after that membership renews month to month.
- During the first 4 months of membership a member may move up to a more expensive tier of membership but may not change to a less expensive tier of membership. This change will require signing a new membership agreement.
- After 4 months of membership a member may change to any other tier at any time but will be required to sign a new membership contract including a new 4 month membership commitment.
- Membership may not be transferred to any other person or entity at any time for any reason. The benefits of membership will insure to the member only during the active term of membership.
- Company has the right to change these terms and conditions at any time for any reason at its discretion, including services and discounts offered. Notice of change of terms will be provided to each member within sixty (60) days of any changes made. Membership will continue in full force and effect regardless of any changes to the terms and conditions contained herein.
- Company reserves the right to change, add, or remove services and/or products available at its facilities and does not guarantee any particular service, treatment, or product will be available to members or other clients.

**Payments:**

- All payments due hereunder will be collected by Electronic Funds Transfer ("EFT") and charged to the valid debit or credit card provided by the member, which will be kept on file with The Company. This account will be charged monthly on the day of the month membership was initiated, or the first business day following this date.
- The member is responsible for ensuring that the provided debit or credit card on file remains active and maintains the proper funds/open balance to cover the costs of the monthly Membership fees and for providing an updated payment method if the existing payment method is rendered unable to cover Membership fees for any reason.
- If EFT payment is declined or not honored for any monthly Membership charge, then The Company reserves the right to accelerate the unpaid Membership dues and demand payment in full for all pending monthly charges remaining in the Membership term. A minimum charge of either \$20.00, or if a lesser amount is required by state law, the maximum allowed by state law, will be added for all failed payments; this charge is subject to change at Company's discretion.

**Cancellation:**

- Members may cancel after 4 months with 30 days written notice of intent not to renew.
- All memberships renew monthly and no partial month refunds will be issued for cancellations. Once written notice to cancel membership has been received by The Company any scheduled auto draft within the upcoming 30 days will be completed, and thereafter no further drafts for membership dues will take place.
- If a member cancels prior to completion of 120 days of a new membership contract they will be charged for the remaining unpaid months of their 4 month membership term, as well as for any services provided in the previous 30 days (total charges will be the difference between the non member rate and the member rate- paid or comped- for any services)
- The Company reserves the right to cancel any Membership at any time for any reason and will renew Memberships at its discretion.
- If you decide to cancel your Membership on or before midnight (12:00 AM CST) of the third business day after agreeing to the terms and conditions herein (the "cooling off period"), then you should provide written notice of cancellation to the Company to receive a full refund of the first monthly Membership payment and your Membership will be canceled with the Company. Services that were rendered under your Membership during the three (3) business day "cooling off" period will be charged in full at the non member rate and any remaining balance or credits on your account will be refunded.
